

# HOW TO USE THE LIBRARY...

## CREATE MEMBERSHIP

If you are part of the LS6 community, create your membership online at [buynowtls6.com](http://buynowtls6.com) or pop in. Our memberships are rolling monthly and pay-as-you-feel; from £0-£20 per month.

## RESERVE ITEMS & CHECKOUT

Reserve your item/s and checkout in store or online at [buynowtls6.com](http://buynowtls6.com). Make sure to sign the borrowing agreements and fill in contact details.

## COLLECT ITEMS IN STORE

Collect your item during our opening times. Bring along some ID when borrowing for the first time. Please make a pay-as-you-feel donation if you are financially able to.

## RETURN 1 WEEK LATER

After 1 week, return your item (clean and with all the parts) to us in store when we are open. Let us know if there were any problems.

## PAY AS I FEEL? | SO HOW MUCH SHOULD I PAY?

To help you decide, we have put together the table ON PAGE 2.

We emphasise the table is only to help you make the decision. It really is your decision, as you are best placed to assess how you support your library.

However, if you can afford to do so, it helps if you can make a financial contribution as it helps us to make the library affordable and accessible to all.

It costs almost £1,000 per month to run the library, with the main costs being room hire, insurance, repair costs and volunteer expenses.

There are four ways that you can make a financial contribution towards running costs.

1

Create a monthly membership\*

2

Donate when you borrow items

3

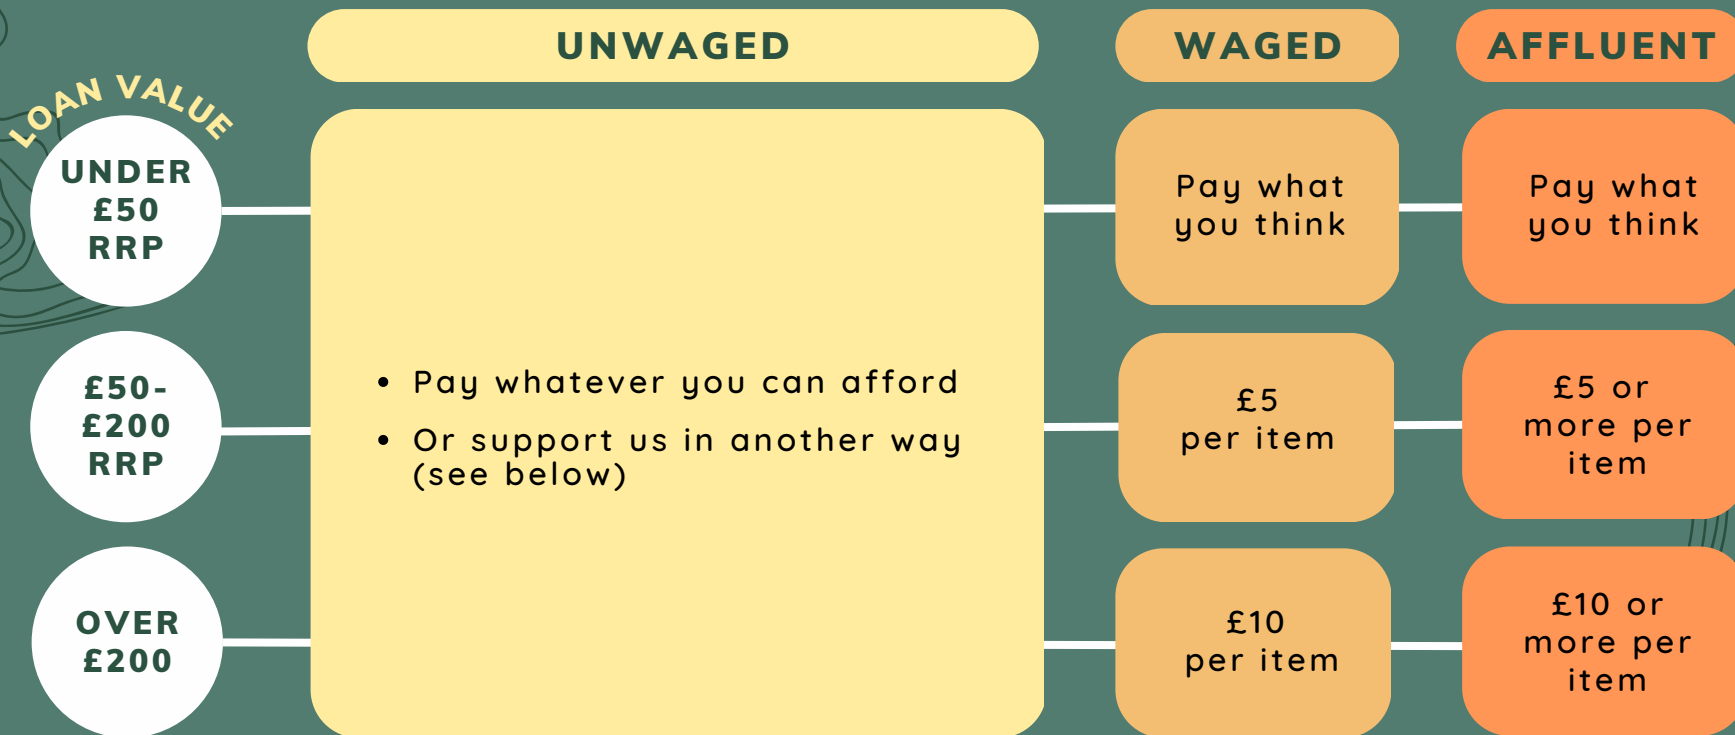

Do both 1 & 2

4

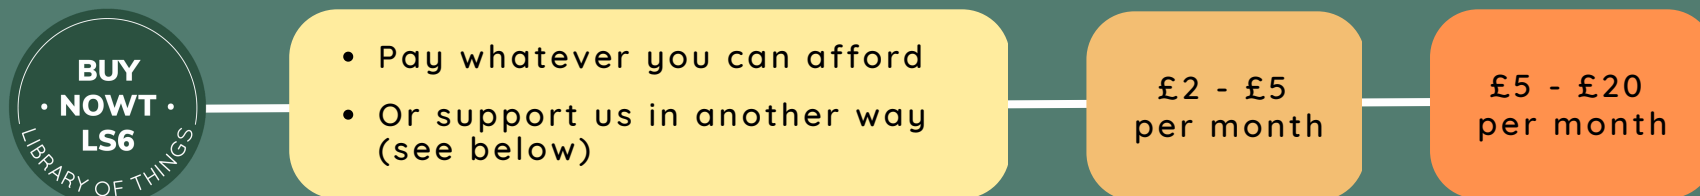

Make a one off donation

\*This is really helpful as it helps us to create financial security and budget

# WHAT YOU MAY PAY FOR A LOAN...

# WHAT YOU MAY PAY FOR MEMBERSHIP...

# OTHER WAYS YOU CAN SUPPORT THE LIBRARY...

- VOLUNTEER... We are 100% volunteer run & we always need more volunteers (check our website)
- DONATE... Quality items that we are seeking (check website), better quality replacements for what we already have or consumables such as carpet cleaner solution, sanding disks, batteries
